PETITION

Sir:

Applicants respectfully request the filing date of the above-captioned application be corrected from June 27, 2003 to June 26, 2003. Applicants contend that the complete application papers were properly filed as "Express Mail" under 37 CFR 1.10 on June 26, 2003 and not June 27, 2003. True and correct copies of the "Express Mail" label, the "Express Mail" declaration and the return receipt postcard are attached hereto.

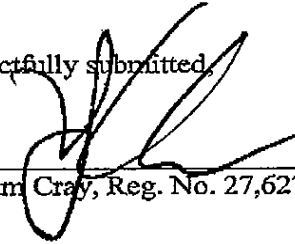

On Thursday, June 26, 2003, Sarah Briggs, Patent Administrator at Cymer, Inc. deposited the application papers via "Express Mail" directly with an employee of the United States Post Office. The United States Post Office received the "Express Mail" package with the complete application papers at 4:08 p.m. which is prior to the last scheduled mail pick-up of that day. (See the enclosed copy of the "Express Mail" Label No. EV 305638535 "date in".) The "Express Mail" label number was placed on the "Express Mail" declaration prior to the original mailing by "Express Mail." (See the attached "Express Mail" declaration). Applicants respectfully requests that the filing date of June 26, 2003 be granted since June 26, 2003 is the date of deposit by the United States Postal Service.
